

NOTICE OF WORKSHOP #2: OPTIONS FOR THE WATERFRONT February 13, 2020

The Township of Scugog has retained The Planning Partnership, together with Baird and TCI Management to come up with an action plan for the Port Perry Waterfront. The Action Plan will make recommendations for short, medium and long-term actions with respect to recreation, natural and cultural heritage features, economic development and tourism on the waterfront; to ensure that Port Perry continues to be a vibrant and thriving community for residents and visitors.

Workshop #1 was held in November 2019 and helped to identify the challenges and opportunities for the waterfront. The Township is inviting residents to the second Workshop where a presentation will be given providing an overview of the project and then you will have an opportunity to work with a member of the design team to prepare diagrams that explore options for the waterfront: for example, expansion to the marina, sports fields, location for a seniors centre, more trails, an urban square, parking and environmental enhancement.

WE WANT TO HEAR FROM YOU!

There will be 3 sessions held on **February 13, 2020** at the Township Council Chambers (181 Perry Street, Port Perry). Please choose the time below that best suits your schedule and register through the Township's website (www.scugog.ca/mywaterfront) or by contacting Township Planning staff. Each session is open to 40 people.
