Threadworks 2016 FLASHBACK!

Date and Time: Monday, January 1 11:00 am - 4:00 pm

Threadworks 2016 FLASHBACK is a juried exhibition of stitched textile art, sponsored by the Wellington County Museum and Archives.

When Threadworks began in 1987, stitched textile art was not commonly seen in galleries. The goal of the Wellington County Museum staff was to give fibre artists an opportunity to offer their work to a jury, to see it hung and displayed in a large space and then to offer the exhibit to galleries at a distance.

The Threadworks theme for the current exhibit is FLASHBACK. Just what does that word bring to your imagination? How far back does it take you...to your youth, the time of your grandparents, pre-history or even farther?

The FLASHBACK Grand Prize Winner was "Storm Windows" by Maggie Vanderweit from Fergus.

Long before double-paned glass, winter's advent meant that our storm windows needed to be put on. My father adeptly climbed ladders carrying heavy, awkward glass frames, and then sealed the cracks with putty. It was another of his many loving gestures to keep us snug and warm. ~ Artist Statement

The exhibit will be on display at the Scugog Shores Heritage Centre & Archives November 9, 2017 - February 25, 2018. The Heritage Centre is open Tuesday - Sunday from 11:00 am - 4:00 pm. Regular admission applies.

Music by the Bay Live Presents COLIN JAMES – Up Close and Personal

Town Hall 1873 Centre for the Performing Arts; 302 Queen Street, Port Perry

From the prairies of Saskatchewan to the stages of the world, sharing his talent with some of the greatest and most influential musicians of all time, **Colin James** has quietly and steadily established himself as one of Canada's greatest musicians.

For his 18th album, *Blue Highways*, Colin pays tribute to some of his long-time blues idols including **Howlin' Wolf, Jimmy Reed, Freddie King, Jr. Wells & Buddy Guy, Peter Green, Robert Johnson** and **William Bell** to name a few. In the spring of 2015 after wrapping up his Hearts on Fire Tour, Colin was loving playing with his band and very happy with the sound they had created on stage. What better time to make a record! Especially the record Colin had been itching to make for years – a collection of some of his favourite blues tracks. In less than a week Colin was recording in The Warehouse Studios in Vancouver and in just two days, *Blue Highway* was born.

January 17th will be an amazing night of music with a Canadian legend and **Chris Caddell**, one of Canada's treasure trove and coming singer-songwriters who are both considered two of Canada's finest guitarists.

Be part of the experience with **Colin James - Up Close and Personal** in Port Perry!

Threadworks 2016 FLASHBACK is a juried exhibition of stitched textile art, sponsored by the Wellington County Museum and Archives.

When Threadworks began in 1987, stitched textile art was not commonly seen in galleries. The goal of the Wellington County Museum staff was to give fibre artists an opportunity to offer their work to a jury, to see it hung and displayed in a large space and then to offer the exhibit to galleries at a distance.

The Threadworks theme for the current exhibit is FLASHBACK. Just what does that word bring to your imagination? How far back does it take you...to your youth, the time of your grandparents, pre-history or even farther?

The FLASHBACK Grand Prize Winner was “Storm Windows” by Maggie Vanderweit from Fergus.

Long before double-paned glass, winter's advent meant that our storm windows needed to be put on. My father adeptly climbed ladders carrying heavy, awkward glass frames, and then sealed the cracks with putty. It was another of his many loving gestures to keep us snug and warm. ~ Artist Statement

The exhibit will be on display at the Scugog Shores Heritage Centre & Archives November 9, 2017 - February 25, 2018. The Heritage Centre is open Tuesday - Sunday from 11:00 am - 4:00 pm. Regular admission applies.
